

SILVERLAKE
DORSET

Fishing Rules & Information 2021

- All Homeowners and their Guests are entitled to fish on certain lakes on the estate in the open season as detailed below. You may fish on the lakes as permitted and in accordance with the seasonal restrictions.
- A valid rod license is required and must be carried at all times when fishing on a lake at Silverlake. This is available from the Post Office or can be purchased online at www.environment-agency.gov.uk
- All fishing activities must also comply with the SVL Angling rules as detailed below.
- The Dorchester and District Angling Society (DDAS) has a public membership. Members of the DDAS may only fish Outer Heath Lake according to membership subscriptions. www.d-das.com temporary/short term membership is available, contact the Estate Office for details.
- Emergency throwlines are placed around each lake on the estate. When fishing, make note of the location of the nearest throwline.
- Fishing rights will be suspended for anyone whose fishing activity brings Silverlake into disrepute.
- SVL carries a strict publicity ban with respect to fishing activities to ensure the ongoing security of the fish. This means NO press or social media coverage of captures or articles about fishing at any of the lakes.
- Rods with lines out are not to be left unattended.
- Live baits for Pike fishing are not to be used.
- No fires, or loud radios at the lakeside.
- Anglers' camps are not to be left unattended.
- Unhooking mats must be used by all Carp and Pike anglers.
- Silverlake accepts no responsibility for loss or injury to any person or persons property whilst on the estate and reserves all rights with regard to the operation of the SVL Angling Rules.
- Under no circumstances should any fish be removed or introduced to any lake or moved between lakes without permission from the Estate Office.
